

## TILA Beads instruction Vol.1 hematite-line necklace

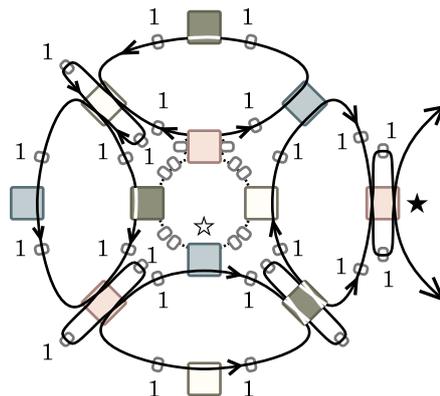

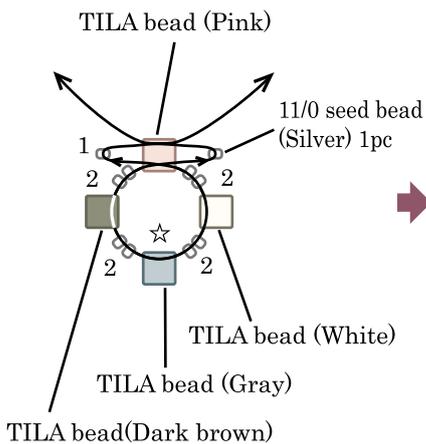

Finished size...About 95cm

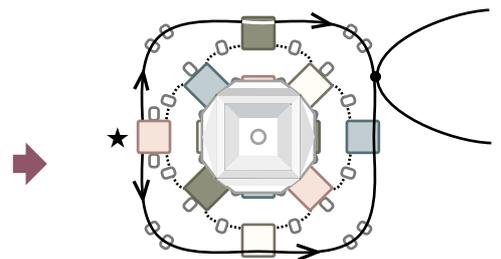

Tools...Scissors · Ruler · Pliere

1) Use three 60cm lengths of nylon thread to make the beaded balls. Weave 11/0 seed beads and TILA beads as in the picture until you reach the bead ( ), and then slide the plexi cut bead (clear color) and weave the beads until the end. Pull thread ends tight, then knot twice. Pass the excess thread ends through 2 or 3 beads, then cut off.

☆=Beginning (Center of thread)

※Pull thread tight to bring the loop with the bead (☆) to the front.

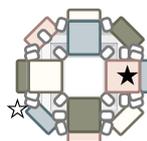

※Turn the work over so that the bead (★) on the left. Bring the hole of the plexi cut bead (Clear color) to the front.

《End of the work》

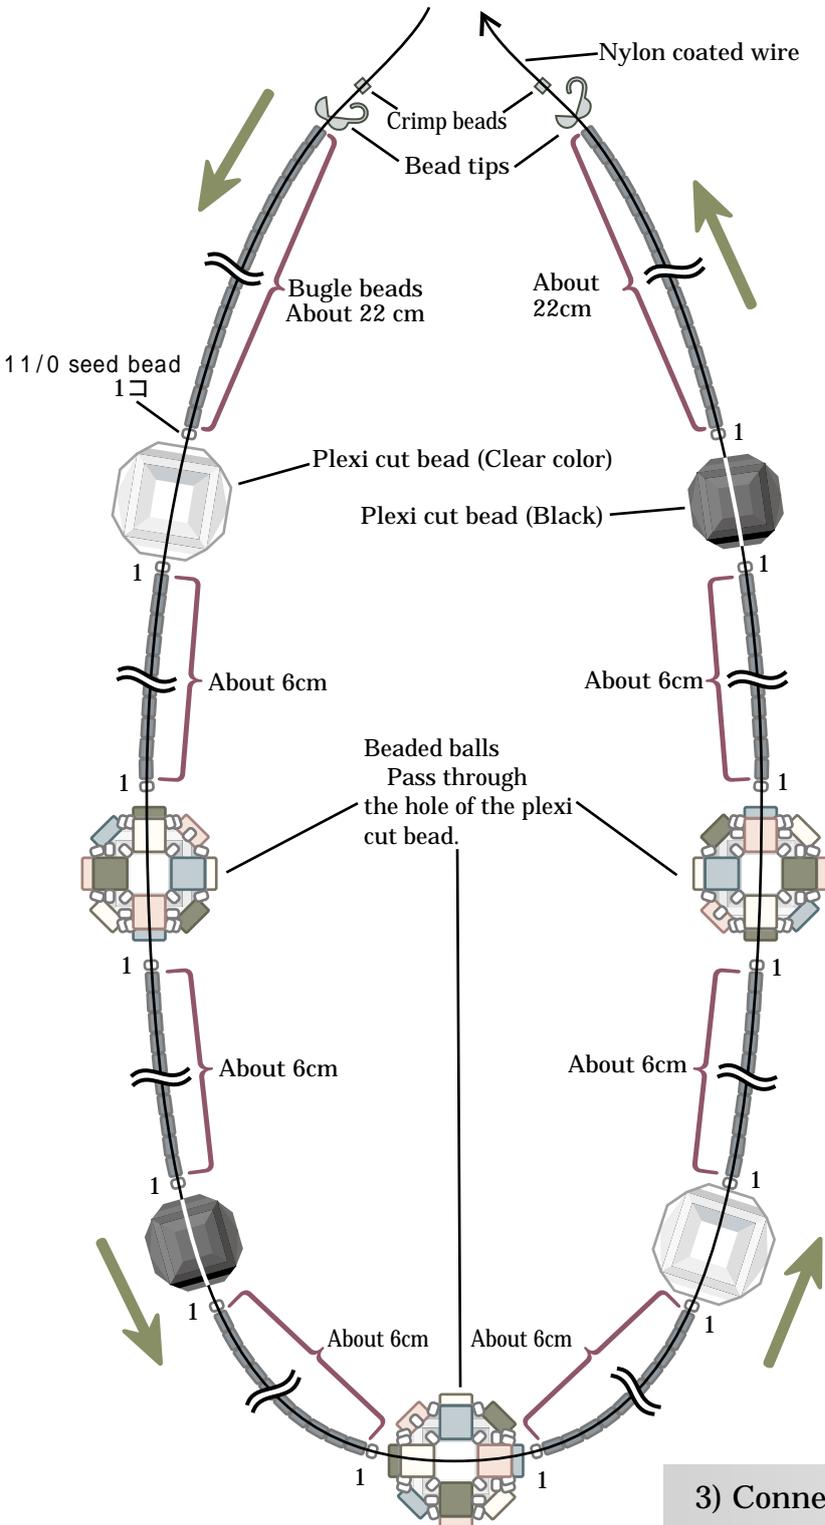

《Front view》

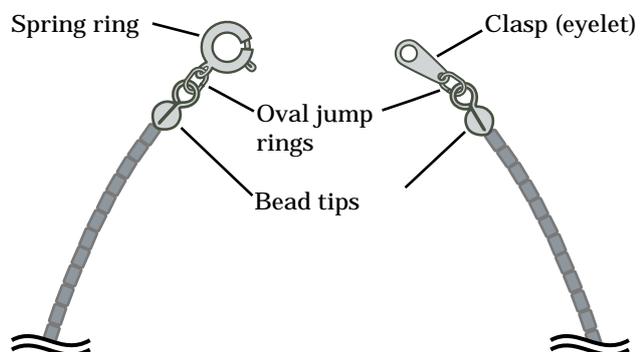

《Beaded ball is complete.》  
 Make three beaded balls.
